Quantum Certified for Tape Library.

SAN Fundamentals Certification From Quantum

Dell Certified System Expert (DCSE) From Dell

Completed Training Of MCSE & CCNA

These are profile summaries of only a few students. We have profiles of students from various colleges like IIT,NIT, Thappar University, Punjab University, Jaypee University, Indraprastha University, Andhra University, Bhopal University,etc with a gamut of specialization.This is an initiative from the techtods group to bridge the gap between the corporate world and the students who are capable and willing to brush up their skills through an industrial training or internship. Lets make it a success together.

Thanking you,  
Techtods Team
